Class Poem

FAREWELL

As out into the world we go
Leaving our school days behind us,
There'll always be those memories
That linger with and remind us

That our carefree days are over
And our aim in life just begun,
And all of us a name must make
Before life's race is run.

If it's goodbye to any friendship
That we've made from day to day,
We want you to take that friendship
Along your successful way.

So goodbye to you fellow "Trojans,"
Your fortunes we cannot foretell,
But we can sincerely bid you
An affectionate and fond farewell.
—Paul Schleicher.

Foreword

To perpetuate in the minds of all the fond recollections and remembrances of our beloved Alma Mater we, the Annual staff, leave this book.

William L. Tune

Dedication

To our loyal sponsor, whose untiring effort and sincere devotion has guided us through our Senior Year, we respectfully dedicate this annual . . .

Principal's Message

. . . .

America has become a great nation because her builders have been men and women who feared God and who worked hard and accepted individual responsibilities.

If we would keep our nation safe, we must develop vision, purpose, and courage, with unselfish devotion, so that our government of the people, by the people, and for the people, shall not perish from the earth.

W. E. LOWE.

Class Prophecy

In the crystal ball I look to see
Where ten years hence this class will be,
What will happen to hopes and dreams—
The lovers, scholars and school-day teams.
A mumbo jumbo glumbo frum,
Look closely now, for here they come

Ah, now who can this be coming near,
With face and bearing of an engineer,
It's—yes, Robert Cartwright hammering awa
On the bridges which he said he'd build some day.
And out of the mist Jack Zeitler strolls,
But the mist conceals its mystic scrolls;
It covers his career, so I must stop
I can only see that he's in Ridgetop

Fred Carnahan is the next to appear
On his arm Ann Lankford I see quite clear
We all believed this would happen some day.
Ah, yes, but now they have turned away
Buck and Helen now come into view,
Still having fun like they used to do

New York City then looms before me,
And suddenly I am able to see
Evelyn Ralph in a high sky scraper,
Surrounded by books and files and paper,
She's bookkeeper for a large company,
Happy, successful and fair is she
Evelyn Bowling is also working there
As stenographer to Mr. Re Vaire
Her life is interesting, stylish and gay,
With lots of work and lots of play

In a smart dress shoppe on Fifth Avenue,
Miss Dorris Sanders decides the line and hue
That Madam will wear this Spring and Fall,
For her authority is respected by all

Liz and Lady in the old home town still,
Sit chatting about happenings in Goodlettsville,
Liz's son wants to go to college out West,
And Lady's daughter has just won a beauty
contest

Vida is coaching Goodlettsville girls this year,
And Senior English is taught by Miss Greer,
Yes, and her engagement was announced today,
He's very handsome and very rich, so they say
Burney Bond has invented a new gadget
Which makes learning stick in one's head like
magic

Alice Courtenay moved into her new home last
week

It's furnished beautifully all in teake.
Ah, but there's Lady rising to go,
So I guess we just as well beat it also

The next scene which flashes on the crystal ball
Shows just exactly what has happened to Paul

With a small pink blanket draped on his arm.
(P. S. It must be after midnight)
And here's Sue Curtis dressed all in white
Helping humanity day and night,
As head nurse in a famous clinic,
Cheerfully relieving pain and panic

Mary Miller too is a graduate nurse,
Some patients she cures, but she makes none
worse

Lecturing in schools the country o'er
Is Mildred Midgett teaching facts galore.
J. B. Troutt, a man of wealth and zest,
Has made gobs of money in oil out West.

Into Hollywood my nosy crystal goes
To spy upon classmates here disposed.
Mary Ellen, best stylist in town,
Decides how to ornament one's crown
A style commentator is Margaret Porter Wood,
Telling what you shouldn't wear and stressing
what you should

Temesia Dilleha is a famous singing star,
Thrilling millions of fans near and far.
Praised ever is the beauty of Dorothy Dean,
Whose pictures make the covers of modern
magazines.

The crystal leaves Hollywood far behind,
I wonder what others it will find
It flashes inside a transport plane,
And reveals Goodlettsville's Torchy Blane;
It's Dorothy Kemper of the New York Star
Reporting murders, politics and war
And on this very same plane is posted
Birdie Thomas, a cute little hostess

Many miles away from these two classmates,
Other members of our class and their lives await
There's Evelyn Joyner happily teaching school,
Teaching readin' and ritin' and the golden rules.

On experiment farms the country o'er,
Mr. Crowe's class is represented by four
There's Douglas and Albert, Bob and Jack,
Making plants yield more and land less slack.
Joe Langford is playing professional baseball,
And Ed Dunn will coach football again this fall
Ruth Bowling is a competent secretary,
And Cecil works in the Congressional Library.

A private secretary is Norma Pugh,
Yes, and Doris Ferguson is one too
Annie Cartwright's a milliner in gay Paree,
Jane Anderson is married and a mother of three.

Ernest Clarke, an instructor in an aircraft school,
Is informed on the use of print and tool
He teaches men to make motors for aeroplanes
Which crowd the modern American air lanes,
Mr. Tune and Victor Ellis are in the army now,
Ann Rawls is an army nurse—and how!
Mr. Tune looks sick, tired and pale,
Can't somebody get him out on bail.

Thus has been revealed by my crystal ball
The lives and fortunes of one and all

Class History

On a balmy day in September, 1937 approximately ninety superbly intelligent freshmen entered upon the premises of secondary education. Amid confusion Miss Helen Robinson was elected Sponsor. Barney Baird was elected to lead us through the first eventful year. He was assisted by Vice President Art Lundblad and Paul Schuchter as Secretary and Treasurer. Frances Drake was elected Football Queen of 1938. This record breaking freshman class wound up the year in a most undignified fashion by cinching third place in the inter-class contest.

The following year the Sophomore Class was under the sponsorship of Miss Mary Butler Baird. Paul Schuchter was named President. Vice President was Jack Zeitler. Secretary and Treasurer was Elizabeth Garrett. During this year our ranks were sadly diminished but we held our own by cinching traditional third place in the inter-class contest.

As upper-classmen prepared for a great year, we started with Mr. Capps as our Sponsor. Jack Zeitler was President. Elizabeth Garrett was Vice President and Paul Schuchter was Secretary and Treasurer. In March, Mr. Capps departed and Miss Tibbs was elected his successor. On the "Ides" of March we rang the bell with a very successful Irish Fair. With the proceeds which were derived from this event we entertained the Seniors. This year we rose to second place in the inter-class contest, losing first place by a mere fifteen points. The Junior year was climaxed by a gala outing at Cedar Forest on May 24. The outing was tabbed a great and enjoyable success and a good time was had by all.

Our final year was entered upon with high hopes of this being our most successful year. With the election of Mr. Tibbs as Sponsor, R. Lee Courtney was elected President; Fred Carnahan was Vice-President, and Jack Zeitler was Secretary and Treasurer. This class published the most complete and finest annual in the history of the school under the leadership of Jack Zeitler as Editor and other members of the staff. The Seniors presented "Bachelor's Choice" on May 1. The play was put over in a fine fashion and was tabbed a great success. A Senior of the Class of '41 could be identified by a small green book known as "Literature and Life-Book IV."

As we close our senior year with regret and a brighter outlook on life, it is the wish of each Senior, of the Faculty and coming Classes at Goodlettsville High School that the school may continue its upward trend. It is the wish of each and every Senior to bid all an affectionate farewell.

ALICE COURTENAY.

Class Will

On this, the 15th day of May, 1941, we, the Senior Class of Goodlettsville, County of Davidson, State of Tennessee, do hereby deem this to be our last will and testament, whereby we leave our wisdom and distinctive traits to those who will follow in our footsteps.

To the Freshmen, we leave every particle of Spearmint and Dentyne to be found under the desks of the school.

To the Sophomores, we leave the will to win which so characterized the valiant Senior Class of this year.

To Uncle Jeff, who has served us all with fidelity and sincerity, we leave our thanks and best wishes for a happy future.

Yours truly wills the Presidency of the Senior Class to Joe Miller.

As joint executors of our last will and testament, we hereby name William Tune and Uncle Sam as long as they both are partners in a common cause.

After due affirmation before witnesses of extreme distinction, we do hereby solemnly seal this manuscript in the hope that years hence it will serve its purpose of recalling some of the fond memories of our Alma Mater.

ROBERT CARTWRIGHT.

FOOTBALL 1940

The 1940 football season at Goodlettsville was a season of distinct advancement. At no time has there been such a feeling of real progress toward a desired goal of better football for Goodlettsville. Throughout the season our players were fighting against odds and yet even under conditions each game showed continued improvement. At every chance the Trojans put up a hard, plucky fight. Under the splendid direction of Coach Murphy the Trojans had a very successful year.

Fifteen "G's" were awarded by Coach Murphy. Of the number of lettermen, Capt. Zentler, Alt. Capt. Cole, Dunn, Galbreath, Troutt, Balthrop and Clarke will be lost by graduation.

The following men received letters, Capt. Zentler, Alt. Capt. Cole, Stucke, Bennett, Balthrop, Troutt, Langford, Dunn, Moore, Clarke, Cherry, Ed. Galbreath, Bob Galbreath, Huffine, and Miller.

Martin and Coward were awarded letters as managers.

Before the end of the 1941 season, Coach Murphy turned a comparatively green squad into a well functioning quintet. The team showed fine sportsmanship through the season. Every game in which the Goodlettsville Trojans engaged was one full of excitement and some games were lost by only one or two points. The Trojans lost to DuPont in the Seventh District Tournament by the score of 29-23. They fought their hearts out and were leading into the fourth quarter. Of those who made "C," Captain Cole and Zeitler will be lost by graduation. Here is the outcome of the 1941 games:

GIRLS' BASKETBALL

Glancing at the score book, you wouldn't think that there were only three regulars back this year, but that's the way it was. And so you see that it takes more than that to hold the Trojan Lassies back when they have a leader like Coach "Bubber" Murphy.

Out of the ten scheduled games we won seven, lost two and tied one. This isn't counting the extra games that the "B" Team girls played.

They stayed in the second or third place in the standing the whole year and played the Eighth District champions in their last scheduled game. If the Trojan Lassies had won this game instead of tying it, they would have been the championship team of the league, something the Trojan Lassies had never before had that good a chance to do.

They lost to Bellevue in the Eighth District tournament in their first game.

Lettermen were as follows: Anne Lankford (F), Captain; Margaret Burton (F), Alternate Captain; Sue Curtis (G), Edna Schleicher (G), Vida Knight (F), Ann Rawls (G), Goldie Morgan (G), Helen Burton (F), Merrill Moore (F), Ruth Bowling (G), Alda Knight (F), Mary Callis (F); Elizabeth Garrett, Manager; Helen Robertson, Assistant Manager.

Scores of the various games were as follows:

Goodlettsville -----14;	Goodlettsville -----35;	Donelson -----
Goodlettsville -----45;	Goodlettsville -----24;	Hillsboro -----16;
Goodlettsville -----38;	Goodlettsville -----21;	Donelson -----27;

BASEBALL

The Trojan nine swung into action during the week of March 31 under the guidance of their new coach, Mr. William Porter.

At the beginning of the season Buck Cole was elected Captain and Paul Schleicher, Alternate Captain. Both have performed well for the nine in previous years. Other members of the squad are Joe Langford, Roger Coward, Douglas Slater, Mended Cherry, Ed Dunn and Doc Fentress. Fred Moss was appointed manager.

Games played and to be played are:

Goodlettville	-----	6;	DuPont	-----
Goodlettville	-----	12;	Duncan	-----
Goodlettville	-----	;	North	-----
Goodlettville	-----	;	North	-----

TENNIS CLUB

Under the supervision of Coach William Tune, Goodlettsville High has one of the most well-balanced tennis clubs in the county. Although not taking an active part with other tennis teams of the county, there is much competition among the members of the club. Coach Tune who, while attending T. P. I. was known for his superb tennis playing, has taught each member the art of playing tennis.
